

Dr. Nick AbuJamra

 PROSTHODONTIC DENTISTRY

CARING FOR YOUR PARTIAL

- Use the home care kit provided to care for your partial.
- Scrub the partial only with the denture brush.
- Clips will need to be changed periodically as wear occurs.
- If you experience soreness, please contact our office, an adjustment may be necessary.

Please contact our office if you have any questions or concerns.

Office phone: (920) 347-2626
